

## ***ANNUAL CONTACT LENS AGREEMENT***

At **Furey Family Eyecare** we provide you with the excellent eye care you deserve. We are dedicated to your health and enjoyable, comfortable contact lens experience.

A **Contact Lens Evaluation** fee is necessary for all new and existing wearers to receive a current contact lens prescription. This is in addition to the examination fee. This evaluation includes precise measurements, analysis of your vision needs and recommendations specifically tailored for you. It may also include the use of diagnostic lenses if necessary by our doctors to ensure the proper fit of the lenses and good ocular health. All new wearers are required to complete a training class for insertion, removal and lens care prior to receiving any contacts.

If you choose to be evaluated for contact lenses you will be responsible for one of the following fees listed below. This fee includes initial evaluation or re-evaluation and all contact lens related follow-up visits for 30 days. There is a \$10.00 charge for each diagnostic lens lost by the patient during or after the 30 day period.

The contact lens fee ranges in price depending on the complexity of contacts prescribed and are not inclusive of your examination co-pay:

- . Standard CL Evaluation (soft spherical) \$ 59.00**
- . Advanced CL Evaluation (soft toric) \$ 69.00**
- . Superior CL Evaluation (soft multi-focal) \$ 99.00**
- . RGP CL Evaluation (gas perm) \$ 94.00**
- . RGP CL Evaluation (gas perm multi-focal) \$124.00**

**All contact lens prescriptions are valid for one (1) year from date of examination. Prescriptions will only be issued to patients having paid for all contact lens services.**
